三个编号需一致对应

The image shows three overlapping forms related to the declassification review of academic papers. A red box at the top contains the text '三个编号需一致对应' (Three numbers must correspond). Three red circles highlight the number '000001' in each form: the first circle is on the '保密审查证明存根' (Confidentiality Review Proof Copy), the second is on the '保密审查证明' (Confidentiality Review Proof), and the third is on the '发表学术论文保密审查表' (Confidentiality Review Table for Publishing Academic Papers). The forms include fields for '我单位' (My Unit), '等同志撰写的论文稿件' (Manuscripts of papers written by comrades), and a table for '是否涉密人员' (Whether involved in secret work) with '是' (Yes) and '否' (No) options.
